

**Town of Ashland
Local Law Number 1 of the Year 2021
SECOND AMENDMENT PRESERVATION ACT**

SECTION 1. TITLE

The title of this local law shall be known as the Town of Ashland Second Amendment Preservation Act.

SECTION 2. FINDINGS

The people of the Town of Ashland, County of Greene and State of New York find and declare: Whereas, acting through the United States Constitution, the people created government to be their agent in the exercise of a few defined powers, while reserving to the citizens the right to decide on matters which concern their lives, liberty, and property in the ordinary course of affairs; WHEREAS, the Second Amendment to the Constitution of the United States of America states, "A well-regulated Militia being necessary to the security of a free State, the right of the People to keep and bear arms, shall not be infringed";

WHEREAS, we start therefore with a strong presumption that the Second Amendment right to keep and bear arms is exercised individually and belongs to all Americans;

WHEREAS, the right of the people to keep and bear arms is further protected from infringement by State and Local Governments under the Ninth, Tenth, and Fourteenth Amendments to the Constitution of the United States of America as well as Article II, Section 4 of the New York Civil Rights Law;

WHEREAS, the Supreme Court of the United States of America in District of Columbia v. Heller recognized the individual's right to keep and bear arms, as protected by the Second Amendment to the Constitution of the United States of America. The Supreme Court's majority opinion in Heller stated that the Second Amendment protects an individual's right to possess a firearm unconnected with service in a militia, as well as the right to use that firearm for traditionally lawful purposes, such as self-defense within the home;

WHEREAS, Section 1 of the Fourteenth Amendment to the Constitution of the United States of America states, "No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws";

WHEREAS, the Supreme Court of the United States recognized in McDonald v. City of Chicago that the Second Amendment to the Constitution was incorporated by the Fourteenth Amendment and thereby made applicable to the States;

WHEREAS, therefore, the right to keep and bear arms is a fundamental individual right that shall not be infringed; and all further and future local, state, and federal acts, laws, orders, rules or regulations regarding firearms, firearm accessories, and ammunition are a violation of the Second Amendment;

WHEREAS, the Town of Ashland acknowledges the existence of the "SAFE ACT" passed in 2013 by the New York State legislature. However, the Town does object to the terms of that Act and will not recognize any Second Amendment Restrictions, including but not limited to: restrictions on the amount of firearms, ammunition and firearm accessories that may be purchased by a citizen or corporation; any increase in time frame or so called waiting period between purchases of said firearms, ammunition and

firearm accessories; any increase in taxes or fees related to the transfer of said firearms, ammunition and firearm accessories;

WHEREAS, therefore, through the enactment of this local law, the Town of Ashland, County of Greene and State of New York, acting through its Town Board, hereby declares that the Town of Ashland will use all available avenues to preserve its citizens Second Amendment rights.

SECTION 3. PROHIBITIONS
